

The Winston School Library
Birthdays Book Club

*Help the library acquire prize
(Bluebonnet, Prinz, Newberry, Caldecott)
winning books and audio books!*

There are many ways for parents to say "Happy Birthday" to their children, but to make your child's birthday even more special, we would like to suggest a lasting remembrance that will benefit many of his or her classmates and others who will attend Winston for years to come. **Add a book to the library in honor of your son or daughter.**

Please fill in the form below and return it to us at the Winston library with a check (\$25 per book). When your child's birthday month arrives, he or she will be invited to select a new book from our "Birthday Book Club." We will have a bookplate placed in it honoring your child and add it to the library collection. We will also display a picture of your child with his or her book on our special Birthday Book Bulletin Board in the library. What about summer birthdays? These students will celebrate their "half birthday" in similar fashion.
